In November, 1953, the SLRSC distributed two-page mimeographed documents prepared by the organization entitled "Statement of Policy Adopted by the National Conference of Rosenberg-Sobell Committees in Chicago, October 10-11, 1953". These documents alleged that justice had not been done in the Rosenberg-Sobell Case and outlined the program to be followed by the organization as adopted by the National Conference. A reprint of a letter allegedly directed by MORTON SOBELL to his wife is also contained in these documents.

The flier related that the ROSENBERGS were put to death, but MORTON SOBELL can still be freed and returned to his wife and children. "... Now, many are turning to the astounding case of Morton Sobell sentenced to 30 years in Alcatraz, as one of the defendants in the Rosenberg frame-up. As with Ethel and Julius Rosenberg, there never existed a single iota of evidence connecting Sobell in any way with spying, atomic or otherwise. So fragile was the 'link' cocked up against Sobell by even the lying Government's stoolie, Greenglass, that the death hungry judge did not desire to doom him to die. But they doomed him to a living death. Now many asked whether the shipping of Sobell to the notorious Alcatraz dungeon is not a new effort by the Washington authorities to torment Sobell into making sordid deals, fingering innocent people for the FBI-- as they tried to do with Ethel and Julius Rosenberg."

"We must not allow our interest to lag nor our interest to help an innocent fellow-being grow cold. In a measure, Morton Sobell has suffered an even greater injustice than his fellow defendants, since we all concentrated understandably on the Rosenberg case. The Sobell case is just as vital. The condemnation of an innocent man to a living death for 30 years, the destruction of his family, the martyrdom of his courageous wife, are factors which no American, no man with a human heart can ignore. We must continue, both in the courts and by repeated appeals to executive clemency, and by unrelenting search for further evidence to attempt to undo a great wrong! When public opinion resumes its normal attitude, when the witch hunt is over, when normalcy returns, America will then thank us for our efforts, I am certain."
